\$196*

Date:

Sunday, March 18, 2018

Brunch at the Salem Cross Inn will get this wonderful day started before the jukebox musical, Jersey Boys, at the Hanover Theatre in Worcester. How did a group of blue-collar boys from the wrong side of the tracks became one of the biggest American Pop music sensations of all time? Jersey Boys gives us the true, sometimes gritty and always spectacularly entertaining story of Falsetto idol Franki Valli and The Four Seasons. The blue collar boys wowed the public for 20 years with hits such as 'Big Girls Don't Cry,' 'Oh What a Night,' "Walk like a Man", and many more. But before fame and fortune comes a difficult, and sometimes not entirely legal, journey to stardom. Created by Marshall Brickman and Rick Elice, they wanted to create a traditional documentary style story of the stars and Jersey Boys came from interviews with the surviving members of the band. Since its debut in 2005 Jersey Boys has become a must see, embedding itself in the Broadway Landscape, playing over 3,000 performances and winning 4 Tonys!
