Join us for a wonderful and magical tour to the Bronx. Our first stop will be at Ann & Tony's Restaurant for some delicious Italian food. Here you will discover a traditional Arthur Avenue Experience that thousands of people have been getting from this family owned restaurant since 1927. Next, you will be part of a long standing Italian American community center as you shop and explore the many Italian bakeries, souvenir shops and so much more. Arthur Avenue is considered the REAL "Little Italy" because of its old-world charm, authentic and delicious Italian food, and a welcoming atmosphere. You will want to bring bags and coolers for all your delicious purchases! Now it's time to travel over to the New York Botanical Garden for their annual Holiday Train Show and their NYBG Glow. This favorite holiday tradition has been making NYC memories for over 30 years. Model trains zip through an enchanting display of more than 190 replicas of New York landmarks, each delightfully re-created from natural materials. NYBG Glow, is festively illuminated featuring music, dance, food and more! It is the perfect day trip this holiday season, and we can't wait to enjoy a little holiday magic with you!
